Experience

CAD Lab Monitor

Rhode Island School of Design (RISD)
Providence, RI U.S 2023.09 - 2024.05

Providing technical support with CAD software, Laser Cutting, or related equipment. Instructing students to familiarize them with the lab layout, equipment, and rules. Installing, updating, and managing CAD software on lab computers.

Branding and Graphic Design Intern

Pagano Media
Worcester, MA U.S 2023.06 - 2023.09

Collaborating with the design team to create visual elements. Gaining proficiency in graphic design software such as Adobe Creative Suite. Participating weekly meetings with team members and clients for design iterations.

2D Graphic Team Intern

Skonec Entertainment
Seoul, Korea 2022.06 - 2022.09

Designing user interfaces (UI) and user experience (UX) elements for VR applications. Designing icons, symbols, and other visual cues to guide users within the VR space. Identifying and addressing challenges related to 2D graphics in the VR environment.

Content Creator

It's Me co.kr
Seoul, Korea 2021.06 - 2021.12

Curating content for various social media platforms, ensuring branding consistency. Utilizing video editing software to craft visually compelling narratives and posts. Contributing to the development of visual concepts by creating storyboards.

Assistant Photographer

BYC Clothing
Seoul, Korea 2020.05 - 2020.09

Assisting in setting up and organizing photography equipment. Helping to select and arrange props or wardrobe items for the shoot. Assisting with post-production tasks such as editing, retouching, and organizing files.
